## 2 STEPS TO BEGIN SYNCING YOUR DATA

### Implementation Steps

1. Complete the **Trading Partner Form** on the i+ Solutions landing page at <https://www.1worldsync.com/isolutions-trading-partner-form>. i+ Solutions will contact you once they have created a subscription for your GLN and let you know they are ready for you to publish your items.
2. Have your accurate item data loaded into your GDSN certified data pool and ensure it is ready for publication in Production.
  - a. Contact your data pool for any education you might require completing this step.

### Publication Steps

3. 1WorldSync customers may add the i+ Solutions playlist to their items to ensure compliance.
4. Publish items to GLN 8719333018676.
  - a. i+ Solutions will review the publications and provide feedback on non-compliant items or any other issues with the item publications
5. All Suppliers should publish **full catalog for all categories** to GLN 8719333018676.
6. For the first publication Suppliers are to publish all products as "New".

### i+ Solutions Playlist

Please note: When setting up your items, please utilize **i+ Solutions Playlist**. Once on the item setup screen type i+ Solutions in the playlist section for a list of required and recommended attributes.
