1WorldSync Fast Track Program

Boost Sales to Kroger’s Digital Channels!

Providing product content via Vendor Item Portal (VIP) is required for Kroger to purchase your products and ensure their placement on Kroger’s digital sites. The Kroger-recommended Fast Track package includes Image Capture, Image Hosting and Data Loading – **pricing starts at \$167/item**.

Steps to get products on Kroger’s digital sites:

1. Sign up for access to Kroger’s Vendor Item Portal (VIP)
2. Capture images of your product, meeting Kroger’s requirements
3. Load and maintain all product information through VIP

Fast Track

Kroger’s recommended Fast Track option will expedite the VIP process, ensuring you meet Kroger’s requirements every time! Each day your product information is unavailable to Kroger is a missed sales opportunity. Kroger is committing significant resources to growing and promoting their digital channels. Take the following steps today to get your products online fast!
